

Tube & U Tube

Nulon's flexible manufacturing allows us to work with our clients to provide a fully customised solution. Our tubes have been developed over a period of time for a wide range of applications. From the protection of corners and doors to pilates rollers, we will work with you to develop a product to best suit your needs.

Applications for tubes and U Tubes include:

- Foam rollers used in pilates, gym exercises, indoor and outdoor sports;
- Insulation for thermal and acoustic applications;
- Packaging and insulating pipes;
- Motorsports roll bars;
- Athletic and sports equipment protection e.g. ice skating rinks, sports poles;
- Floatation e.g. hobby craft;
- Slit tube.
